8. What are the possible consequences of violating cleanroom procedures?

- A) Loss of privileges
- B) Loss of access to the cleanroom
- C) No action will be taken
- D) Both A & B

Acknowledgment:

SCIF Cleanroom provides training using standard samples available in our cleanroom. For users requiring additional support—such as assistance with sample or device preparation and fabrication—these services may be provided as part of a collaborative effort. In such cases, cleanroom staff must be appropriately acknowledged for their contributions, including consideration for co-authorship in any resulting publications.
