"One Time" discount types expire upon first order placement or the expiration date listed above, whichever comes first. "On Going" discount types are valid from the Effective Date to the Expiration Date stated above. Discounts may only apply to orders placed directly with BD Biosciences and are not applicable to drop-ship orders or orders placed with resellers. Discounts are calculated from the current "List Price" in effect at the time of order placement. Discounts cannot be transferred or assigned to any third party and are for use only by the account number(s) listed above. The "net" rate is calculated as "List Price" less discount. Freight, shipping and handling charges, and any applicable sales or use taxes, and other charges do not count toward the projected net spend. Purchase does not include or carry any right to resell or transfer this product whether as a stand-alone product or as a component of another product.
